We can cater for a wide variety of styles – from traditional wedding breakfast, to street food, canapés & puddings. We aim to bring you a menu which is bespoke to you! And one which is packed with the food you love.

We offer a consultation, where we explore you likes and dislikes, plus learn a bit about your big day. It's important to us that we get it right!

We then will design you a menu which reflects this and offer you a complimentary food tasting.

Food is a large part of any celebration especially a wedding and it should reflect you and your personalities! We are realistically priced and transparent in our costings – which we share with you throughout the process.

We'd love to hear from you so please do contact us via email or telephone whichever you prefer.

'Just a quick email to say thank you. We couldn't have asked for a better wedding banquet. The food was absolutely delicious and everyone has commented on how nice it was. All our guests were stuffed and it's not often that happens at weddings!...' SH

'Thanks so much, the food was just brilliant, everyone was raving about it...' PD

'Lou, Matt and the team catered our wedding this July, and everything was perfection, we can't really thank them enough! We wanted a Spanish themed menu and they came back with lots of ideas and suggestions, after an initial tasting we chose the menu that we felt best complemented our day. They were so helpful in creating the menu, advising and liaising with the hire company for the cutlery etc and of course the cooking of the food!

The unique part of their service is they also catered for our evening food but a totally different style of cooking, all served from 2 of their camper vans. For them to be able to offer a gourmet wedding breakfast then an evening offering of halloumi fries & burgers for the night was fantastic. All our guests loved the food too! We highly recommend their services to anyone and would love to use them again, just need another excuse for a big party ... thanks again guys xx' JD

'Thank you so so much to Lou, Matt and all their team - they recently catered at our wedding and it was absolutely amazing. The whole experience with them from start to finish was just incredible and they added so much to our day, we can't thank them or recommend them enough. Keep in touch both, you do the most wonderful job and we are so delighted we were lucky enough to have you! Love Ashley Pennington and Lee xXxXx'

'Amazing food and friendly faces.

We were visited at our work place WNS Assistance for an afternoon of treats and we were not disappointed! Gorgeous main of three choices along with 2 sides AND a dessert. Our faces and tummies were full of happiness afterwards, not a single person in the office had a bad word to say about the Surf and Turf or Halloumi Flatbreads. Just gorgeous!! Thank you Big Dub of Love, please come back to see us soon!' WNS
